How to manage stress/ anxiety?

- Year 11 is a very intense year and your child may (understandably) become anxious/ stressed.
- Remind them that they/ you can talk to me-their tutor or HOY/ DHOY or anybody else in the KS4 Team.
- There are lots of good resources on the Well being classroom on Google classroom and on the Parent/ carer resources for student mental health page too.
- The school will also provide support via the tutorial programme.
- Please encourage your child to talk to us- that is what we are here for!
